Re: Hidalgo County Precinct #4 Justice Center  
Additional Services Proposal – Rev.1

Ms. Pacheco,

Per your request, the following is a proposal for additional professional design services as provided by our Civil and MEP engineers. It is based upon our understanding of services as provided by The County and the scope of said services are provided below:

**Scope of Service**

**Service Provided by M Garcia Engineers**

Electrical Easement Exhibit with Metes & Bounds

This task includes performing survey work for the site and will include the following:

- Prepare metes & bounds description
- Prepare plat exhibit for an AEP Easement

For the services stated above a fee of: **\$1,500.00**

**TOTAL A/E FEES - \$1,500.00**

Please let me know if this proposal is acceptable to The County. If the scope of the service needs to be modified, please let me know and we can revise accordingly.

Please call me if you have further questions.

Best Regards,

Michael E. Allex, AIA  
Principal
