Good Morning Mr. Escaname,  
The Second Amendment to the MOA with the CDC Foundation is approved as to form.

As discussed, due to the reference that additional documents may be executed as part of this amendment, it recommended to place a second agenda item for CC consideration to authorize the HCHHS Director or designee to execute any other and further instruments and documents as are or may become necessary or convenient to effectuate and carry out the terms of the Agreement as amended.

Please let me know if you have any questions.  
Respectfully,

Hello Josephine,

We'd appreciate it if you can arrange to have the attached MOA with the CDC Foundation reviewed.

I have attached the first Amendment and Robert's review for your reference.

After your review, we will present it to our Commissioner's Court for approval.
