Ms. Ramirez,

Since the increase is less than 20%, no additional approval is necessary, the Local Agency can proceed with its purchase.

Belinda,

Due to the delay in obtaining the USDA approval, I was notified by Mr. Ramirez from Spikes Ford that the Ford Company has shut down the production of the 2021 Ford Transit, and he does not have any 2021 cargo vans left in his inventory.

Permission is requested to award the 2nd vendor to Boggus Ford Lincoln, [14900 East Expressway 83, Mcallen, Texas 78501](#), to purchase the 2021 Ford Transit in the amount of \$32,460.75. The company does have a 2021 Ford Transit with the same specifications that he can provide us with. There would be a slight difference of \$1047.00 in price from the Spikes Ford.

Sufficient funding is available to encumber cost.
