Good Morning Mr. Escaname,
The MOU with the Texas Department of Health Services related to obtaining medications through its online inventory system is approved as to form subject to including in No. 7 the requested designated County representative to administer activities under the MOU, such as was included in the prior agreement. We recommend including the HCHHSD Director and with copy to the HCHHSD TB Program Coordinator. Please advise if this is not what is intended.

Respectfully,

Robert Viña III
