RE: County: Hidalgo
TxDOT CSJ No. 0921-02-421
East Nolana Loop: From: N. Raul Longoria To: N. Alamo Road
Parcel No.: 20

Dear Commissioner Cantu:

Attached herewith is a counter-offer as submitted by Federico Garza Trevino, owner of Parcel 20 on June 11, 2021. L & G Engineering has reviewed the aforementioned and hereby recommends that counteroffer be **approved**. Attached also is the N-9, Administrative Settlement Evaluation and Approval Form.

L & G Engineering believes the counteroffer is a valuation, legal and cost savings issue. More importantly due to recent court awards on similar projects and the cost to litigate through the Special Commissioners' Hearing we recommend that the counteroffer of **\$3,500.00** be accepted.

Please review these documents and feel free to contact me at (956) 585-1909 if you wish to discuss this matter personally.

Sincerely,

Fernando Hererra, Jr.
Right of Way Administrator

HIDALGO COUNTY ADMINISTRATIVE EVALUATION AND APPROVAL FORM

ROW CSJ: 0921-02-421

Highway: East Nolana Loop

Parcel No.: 20

Owner's Name: Federico Garza Trevino

Approved Offer: \$3,225.00

Owner's Counteroffer: \$3,500.00

County: Hidalgo

Project Limits: From: N. Raul Longoria To: N. Alamo Road

Date Offer Sent: 5/20/2021

Date Counteroffer Received: 6/11/2021

Factors considered in evaluation:

1. Valuation Issues

- a. Reconciliation of all available appraisals, including Owner's.
- b. Other: Property owner feels that their property is undervalued.

2. Legal Issues

- a. Analysis of recent court awards on similar properties or projects.
- b. Analysis of recent court decisions which may affect the outcome of a condemnation action.
- c. Analysis of previously unlitigated issues.
- d. Other: _____

3. Cost Savings

- a. Approximate cost to litigate through Special Commissioners' Hearing \$20,000.00
- b. Approximate additional cost to litigate through jury trial \$40,000.00
- c. Other: _____

4. Timing Issues

- a. Maintain project schedule: Yes
Possession of this property is needed by: 7/2021
Projected possession date, if settled is: 8/2021
Projected possession date, if condemned is: 1/2022
Letting date: 12/2021
- b. Other: _____

5. Other Issues

- It appears that the property owner's counteroffer is within an acceptable value. Subjecting this parcel through the process of Condemnation using the County's sovereign power of Eminent Domain would be time consuming and a costly approach.

** The following documents have been considered and are incorporated by reference: appraisals, appraisal review form, owner's counteroffer and supporting documentation, negotiator's log, and _____

Analysis and Conclusion:

Our approval/ disapproval recommendation is based on the items checked above and has been evaluated as follows: (attach additional sheets as necessary)

Parcel 20 is a partial acquisition being a 0.1163 acre (5,066 square feet) parcel of land being situated in Lot 13, Block 47 of the Alamo Land and Sugar Company Subdivision, recorded in Volume 1, Page 24, of the Map Records of, Hidalgo, County, Texas. On May 20, 2021, Acquisition Provider, L & G Engineering, mailed an initial offer letter of \$3,225.00 to Mr. Federico Garza Trevino, via certified mail. I made contact with Mr. Trevino and he believes his property is undervalued. On 6/11/2021 Mr. Trevino submitted a counter offer in the amount of \$3,500.00. After discussion and review by the evaluation team, it is the recommendation that the administrative settlement be approved. The difference between the approve value versus the property owner's counter offer is (a difference of \$275.00). Although the property owner did not provide salient information in the counter offer, it does not warrant the risk and added expenses associated with standard eminent domain proceedings. Accepting said counter offer will help avoid project time delays, and associated condemnation proceedings, thus resulting in a cost saving to the county.

This administrative settlement of \$ 3,500.00 is / is not recommended for approval as being reasonable, justified, prudent and in the public interest.

VI. Comments and Conclusions on Values in the Appraisal Report

Appraiser: Leonel Garza III
Effective Date of Report: December 29, 2020
Report Dated: March 24, 2021
Review Appraiser: Harvey L. Heerssen
Effective Date of Review: March 28, 2021

Parcel 20 is a partial taking of 0.1163 gross acres (5,066 gross sf.) situated in Lot 13, Block 47, of the Alamo Land and Sugar Company Subdivision recorded in Volume 1, Page 24, of the Hidalgo County Map Records, and being out of a called 5.00 acre tract of land described in an instrument to Federico Garza Trevino, from Paul Douglas Cron, recorded in Volume 2573, Page 987, Deed Records of Hidalgo County, Texas, dated March 18, 1988, Deed Records of Hidalgo County, Texas.

The whole property of 5.00 gross acres is located along the northwest line of North Cesar Chavez Road approximately 0.12 miles south of Nolana Loop, Sam Juan, Texas. The whole tract is improved land with a commercial warehouse and office building, a garage repair shop and canopy that are not impacted by the proposed acquisition. The acquisition of 0.1163 gross acres includes an amount of 0.1136 acres within the existing right of way having no value and leaving a net taking of 0.0027 acres. The acreage within the existing right of way is shown in the field notes for this parcel.

The appraiser Leonel Garza III has selected three (3) recent sales to value the whole tract at \$35,000 per acre. The highest and best use is for commercial or industrial purposes. There are no market damages to the remainder land. Cost to Cure is necessary to compensate for the site improvements that were depreciated within the proposed taking to replace these items on to remainder to retain the same utility.

The appraiser has considered access damages in accordance with Section 21.042(d) of the Texas Property Code, as amended by SB18 of the Texas 82nd Regular Legislative Session. The result of the findings is that there is no denial of direct access nor material impairment of direct access on or off the remaining property that affects the market value of the remaining property. Therefore, there are no access damages to the remainder property.

The report prepared by the appraiser Leonel Garza III is an Appraisal Report presented on TxDOT form ROW-A-5 and appears to comply with USPAP and the Texas Department of Transportation's Appraisal and Review Manual. The appraisers' opinion and conclusions appear to be well supported by information contained within this appraisal report. It is recommended that the total value of \$3,225.00 be approved for negotiations and acquisition.

VII. Justification and Explanation for Credit if Retained.

Retentions of \$1.00 were applied to each site improvement to encourage retention and removal.

Federico Garza Trevino

San Juan, Texas 78589

Dear Mr. Trevino,

In acquiring property for the highway system of Texas, the Texas Department of Transportation (the "Department") and Hidalgo County ("County") follows a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the County's negotiator, Robert A. Casarez, a portion of your property located East Earling Road, as described in the enclosed property description, is to be acquired for the construction or improvement of the above-referenced highway project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the County is authorized to offer you **\$3,225.00** for your property, which includes **\$1,914.00** for the property to be purchased and **\$1,311.00** for damages to your remaining property. This amount is the total amount of just compensation for all interests in the portion of your property to be acquired, as determined in accordance with State law, less oil, gas and sulphur, subject to clear title being conveyed to the County. In accordance with State law, it is the policy of the Department/County to negotiate with the fee owner(s) of the real property with the understanding that you will, in turn, negotiate with any lessee or other party who may own any interest in the land or improvements, with the exception of public utility easements, which will be handled separately by the Department/County.

This offer to purchase includes the contributory values of the improvement(s) listed below, which are considered to be part of the real property. Since the improvement(s) must be removed, it is the policy of the Department/County to permit owners who convey voluntarily to the Department/County to thereafter retain the improvement(s), if they wish to do so. The retention values shown below are the estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the right of way, the amount of the above offer must be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the County to acquire the real property by eminent domain.

| | <u>Improvement</u> | <u>Amount to be Subtracted if Retained</u> |
|----|---------------------------|--|
| A. | Fencing - Ranch | \$1.00 |
| B. | Pavement - Caliche | \$1.00 |
| C. | Sign - Steel Pipe Frame | \$1.00 |
| D. | Gate - Chain Link Rolling | \$1.00 |
| | | \$ |

If you wish to accept the offer based upon this appraisal, please contact Fernando Herrera, Jr. as soon as possible, at (956) 585 - 1909 , so that the process of issuing your payment may be started. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter.

Please note that your opportunity to submit an administrative settlement shall be forfeited if such a settlement request is not received by the Department/County within the 30 day time deadline. In the event the condition of the property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for use by the Texas Department of Transportation/Hidalgo County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the Department/County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the Department's/County determination on any claim for reimbursement.

You may be entitled to additional payments and services under the State's Relocation Assistance Program. It is emphasized, however, that any benefits to which you may be entitled under this program will be handed entirely separate from and in addition to this transaction. You will receive a brochure entitled "Relocation Assistance" which will inform you of eligibility requirements, payments and services which are available.

You have the right to discuss with others any offer or agreement regarding the Department's/County's acquisition of the subject property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply to the Department/County.

Attached is a copy of the Texas Department of Transportation brochure entitled "Right of Way Purchase" which we trust will give you a better understanding of the procedures followed by the Department/County in purchasing property. We respectfully request the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built, or concerning the County's offer or proposed purchase transaction. Also, please do not hesitate to contact Fernando Herrera, Jr. at the telephone number provided above regarding any question you may have.

Please see the enclosed copy of the Texas Landowner Bill of Rights.

Finally, we enclose copies of all appraisal reports relating to your property being acquired which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the State/County, including the appraisal on which this offer is based.

Sincerely,

Right of Way Manager or other signatory

To Mr. Casarez:

I have reviewed the offer on the piece of property located at 3805 N. Cesar Chavez Road, San Juan, Tx., also referred to as Parcel 20. I do not agreed with the amount of \$3,225.00 you are offering. Though I am rejecting the offer, I am willing to accept a total of \$3,500.00 which is \$275.00 from the original offer. As a commercial property owner and business man, the project is well needed and I approve. In order to avoid any litigation, I would appreciate the approval of my counter offer of \$3,500.00 so that we can continue moving forward. If you have any questions please call me at the above phone number.
