UHRIP Providers,

This additional call for IGT is based on the enhanced FMAP rate.

Caseload has increased at a greater rate than initially projected at the beginning of the fiscal year which has increased UHRIP payments. Due to this increase in caseload, we need additional IGT for the remainder of Program Year 4. UHRIP providers will receive commensurate increases in the payments received from MCOs.

HHSC is providing notification that the IGT for the remainder of 2021 UHRIP must be entered into TexNet no later than close of business **Thursday August 5, 2021** with a **settlement date of August 6, 2021**. These funds will need to be placed in the "UHRIP" Bucket. The amount that needs to be entered into TexNet are calculated by SDA in cells B4-B16 of the attached "UHRIP Year 4 Additional IGT by SDA" workbook.

If the TexNet is entered online, please provide a screen shot or PDF of the confirmation/trace sheet and reference which SDA the funds should be allocated towards in the body of the email. If the TexNet is entered over the phone, please provide the confirmation number. Please send an email with this information to PFD_UHRIP_Payments@hhs.texas.gov

Please email any questions to PFD_UHRIP_Payments@hhs.texas.gov.

Thank you,
