Good afternoon,

The Texas Department of State Health Services (DSHS) Immunizations and Vaccines for Children program is offering an opportunity for local health entities (LHEs) to apply for funding to help reduce health disparities in their communities, and to provide access to Coronavirus Disease 2019 (COVID-19) vaccine for populations disproportionately affected by COVID-19.

Complete Required Documents

1. Review the *Application Instructions* attachment to see the list of required documents needed to complete the application. Add your entity's name at the beginning of each document.

****Important:** Name the files with your entity's legal name, the funding opportunity, and the form title.

Example: County Public Health Department – COVID-19 CARES Act
Round 4 Form-A Face Page

County Public Health Department – COVID-19 CARES Act
Round 4 Form-B Workplan

County Public Health Department – COVID-19 CARES Act
Round 4 Form-C Cold Chain Equipment

County Public Health Department – COVID-19 CARES Act
Round 4 Budget

Submit Your Application

1. Save the documents as described above.
2. Email the documents to the DSHS Contract Management Section at CMS_COVIDImm@dshs.texas.gov.

Due Date

August 4, 2021

Application Question Meetings/Calls

The DSHS Immunization Unit and CMS will hold two meetings/calls if you have questions about the application or process. Meeting/call-in information will be sent separately.

July 20, 2021 at 1:00 PM Central

July 21, 2021 at 11:00 AM Central

Next Step

1. You will be notified when DSHS has completed its review of the applications. At that time, you may be asked to complete and submit revisions.

If you have questions, please email CMS_COVIDImm@dshs.texas.gov.

Texas Vaccines for Children and Adult Safety Net Program Provider Manual (attached)

Due to the activity scope and requirements, pre-award costs will not be reimbursable in this round of funding. Contract award funding will begin upon execution of the contract.

This Texas Immunizations and Vaccines for Children program is supported by the National Center for Immunization and Respiratory Diseases (NCIRD), Centers for Disease Control and Prevention (CDC) of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$521,285,592 with 100 percent funded by NCIRD/CDC/HHS. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by NCRID/CDC/HHS, or the U.S. Government. For more information, please visit <https://www.cdc.gov>.
