Good afternoon,

I have drafted Amendment #5 for the ratified item that was not placed on CC due to the fact that we were advised that the LOE did not require any signature and a PO would suffice.

But upon further review/discussion it was determined that it did need to have been taken to CC.

We are working on an AI for ratification and I have a question for you. A PO and the service has been rendered and paid.

Would Amendment #5 still require vendor (Netsmart) signature?

We are working on an AI for the 27th for ratification of the Amendment.

Yolanda
