Applicant Registration - MANDATORY

- All Applicants are required to register on-line in order to apply for funding.
- In order to register, an Applicant must designate one person as their point of contact to submit their grant application.
- To create an on-line account the Applicant must email the point of contact information to Grants@oag.texas.gov with the following information:
 - First Name
 - Last Name
 - Email Address (*It is highly recommended to use a generic organization email address if available*)
 - Organization Legal Name
- The point of contact will receive a welcome email from GOALS and will be prompted to create a password.
- ****Registration is mandatory. Applicants who fail to complete the on-line registration will not be considered for funding. ****

Significant Changes from previous Kits:

- OVAG/VCLG only – Maximum Funding amount for local Applicants
- The requirements for Audits
- Volunteer Programs (non-profit applicants only)
- Training Requirements
- The Budget submitted with the Application
 - The budget you submit in your application (as approved by the OAG) will be the budget you start FY 2022 with should you receive a grant award. There WILL NOT be an “initial budget adjustment” process. Grantees will start the year with the approved budget they applied with and then will be able to use the standard budget adjustment process to submit a budget adjustment when needed.

Please fully read the Application Kit for the grant program in which you are interested in order to learn the full scope of these changes.

If you have any questions about the application process, email

Grants@oag.texas.gov or call (512) 936-0792.

Please continue to check the OAG Grants website where the Application Kits and Registration process will be available.

We also encourage you to share these updates and the OAG website <https://www.texasattorneygeneral.gov/divisions/grants> with other organizations that may be interested in applying for OAG grant funds.

Thank you for the work that you do on behalf of victims of crime in the state of Texas.

Sincerely,

Grants Administration Division
