For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. ROCK CLAUSE

PlayWorks, Inc. reserves the right to charge for additional manpower and equipment rental if subcontractors encounter rock that cannot be penetrated to drill installation holes with a mechanical auger. Every effort will be made prior to installation to determine if additional rock charges may be required. PlayWell's Sales Associate will notify you and meet with you at the work site to review the conditions requiring additional charges.

SITE ACCESS

First off, you'll need a level site to make it free of any obstacles that might encroach upon the required fall zone for your design. Dig-Tess (1(800) Dig-Tess) will call all the possible utility companies that may have underground cables or piping running beneath the play area to mark where their runs might be. The site for equipment to be installed must be accessible by heavy machinery (trucks, trailers, and Bobcats). In the event this equipment is used at your site, please note there may be signs of access afterwards. PlayWorks, Inc. subcontractors will try to keep this to a minimum.

WEATHER DELAY

Unusual weather patterns, heavy rain, lightning or thunder conditions, and flooding "acts of God" or natural disaster, wherein the project site is determined to be unworkable. The installation of your equipment will be delayed.

INSTALLATION WILL BE ORDERED IMMEDIATELY UPON RECEIPT OF WRITTEN APPROVALS. Please email or fax all pages.
