Dear Partners,

Programs has instructed that the budget for these funds (South Texas All Hazards Conference) be on a separate budget and there is no match requirement. They have also informed me that the amount has increased to **\$150K**. I have attached a budget template that you can use for this funding. Please fill out and return.

Good morning Jennifer,

Question. Does this additional money for the conference require a 10% local match?

Jennifer,

As we prepared to send the budget revision to you today, there were still a few items that needed clarification. We should be able to get clarification on these items tomorrow morning and can send over the budget by noon.

Thank you,
