Mr. Vina,

Thank you for taking my call earlier. I'm making contact today to discuss a project we're working on. The project is mile 1 east, a txDOT off system road and very similar to the project we have ongoing with the City of Weslaco. The project is mutually owned by both parties in the amount of 50%. For your review please see attached documents for your review. Please let me know if you have any questions or concerns.
