Good Afternoon Mr. Diaz,
From the information provided to us regarding the streets in question being city operated, we approve as to form the attached draft Interlocal Agreement with the City of Progreso for the relaying of Alyssa and Dimas Streets subject to the recommended modifications contained therein, as well as the approval of project which should also be presented to Commissioner's Court for consideration and approval.

Please include the two attachments as indicated. Please also verify the city officials names included in the notice section and signature page. Also, please replace the word "advise" with "advised" on the new cost estimate.

Please let us know if you have any questions.
Respectfully,

Let me know if that's ok or if I need to make some changes. Thank you.
