Good morning:

Attached you will find the acceptance sheet for the bid opening for the above-referenced project. As you will see, Frontera Materials is the only vendor who is in full compliance with the specifications and/or requirements of the bid. Currently, the county has a contract with Frontera Materials for county-wide services at \$3.85 per ton. The bid submitted from Frontera for service solely in P3 is at \$5.00 per ton. We have the option to proceed to award Frontera as the lowest bidder, or reject all of the bids and P3 may continue to utilize the current county-wide contract with Frontera when and/or if the services are needed. Please advise on how to proceed.

Sincerely,

Heidi Garcia Ortiz
