Good afternoon Mr Sendejo,

In addition to what Randy has described below, once this adjustment is certified at your level and then approved at the PSO level a supplemental award letter will be generated and your AO will then have to go in to eGrants to accept the supplemental.

If you have further questions feel free to reach out and we can set up a time to discuss this over the phone.

Mr. Sendejo,

As of 10/3/21, the PSO administratively raised the overall budget and placed a BLI Hold for the grantee to update/revise the budget.

Once the adjustment has been completed and certified, the OOG can remove the Budget Line Item Hold. A notification should have gone out as of that date via egrants.

Please let me know if you have any other questions.

Thank you.

Good morning Mr. Gabbart,

We have a "Condition of Funding" for grant #2537810 Region 3-Border Prosecution Unit (BPU) due to the supplemental funding that has been administered.

Will there be an official announcement or an award email notification for this supplement?

The reason I'm asking is because our governing body (Commissioners Court) will inquire about notification of the supplemental funding before approving an increase to our budget.

Please advise.

Thank you,
