Edinburg, TX 78539

RE: RTS Request

Dear Mr. Villarreal,

We at Bridgepoint would like to thank you and your staff for the guidance and direction you gave us during this difficult phase we endured with the Covid-19 Pandemic.

I am glad to say that we are right at about 90% capacity and plan at being 100% by the end of July.

Our goal is to efficiently train our staff and keep them current on all State and County DMV regulations and guidelines.

To assist us with this, I would like to formally request (1) one additional RTS Station for our McAllen location.

This unit will be installed in our Conference/Training room.

Please contact me for any questions or clarifications you may require.

Sincerely,

David R. Cantu
President
