BACKGROUND

In an effort to comply with COVID-19 health and safety guidelines, the recent County Judge's Office requires a COVID-19 Radio Campaign in order to relay communication effectively and efficiently. On May 10, 2021 the U. S. Department of the Treasury announced the launch of the Coronavirus State and Local Fiscal Recovery Funds, established by the American Rescue Plan Act of 2021, to provide \$350 billion in emergency funding for state, local, territorial, and Tribal governments. It allows recipients to use funds for revenue replacement due to reduction in revenue as a result of COVID-19.

COMPLIANCE

The Purchasing Department followed compliance with Texas Local Government Code 262.024(2), Discretionary Exemption, which allows the County to procure goods and services as necessary without the requirement of a competitive solicitation process. Services were also made utilizing the County's adopted procurement process, such as utilization of competitive quotes and purchasing cooperatives. Expenditures exceeding a threshold were also subject to price verification and the procurement of services complies with 2 CFR 200 requirements.

ADMINISTRATION

Approval of the item is consistent with Hidalgo County's intended purpose to mitigate the spread of COVID-19. The goal is to provide efficient and effective delivery of services in light of change in technology, the public's expectations and the area's population and economy.
