Re: Request for revenue certification for interest earned

The balance in object 610 is \$769.80. This account has earned interest throughout the years that will need to be appropriated and used for the same purpose for which this grant was awarded. At this time there is a remaining earned interest balance that needs to be appropriated by the Texas A&M AgriLife Extension Service Department (\$213.59).

I am submitting this revenue certification request for the interest earned.

Sincerely,

A handwritten signature in cursive script that reads "Dr. Andrea Valdez".
