

CDCAT President's Welcome

Welcome to the County and District Clerk's Association of Texas website.

We refer to the members of our association as our "clerk family." If you are a new clerk, it won't take you long to see why. We will take you in and help you in any way we can. Please don't hesitate to reach out to other clerks when you have a question or need some encouragement.

The CDCAT is dedicated to education and a high level of professional standards. Many clerks have found a way to serve our association that promote these ideals. They serve on committees, present educational topics at conferences, serve on the Board of Directors or the Executive Board and mentor new clerks. It takes a community of clerks to achieve our goals and keep our members informed. It is my hope that all of our CDCAT members will find their niche within the association.

This year's educational theme is "CDCAT, A Community in Service." We will focus on service to our communities and our association. We all care about serving our communities well or we would not have chosen these challenging jobs. We serve better when we build relationships. This past year has taught us ways of serving our constituents and our association that we had never before imagined. We can build on what we've learned and continue to improve.

Please join me in building new and stronger relationships within our counties and the CDCAT. Let's join together in service.

Lisa Johnson
2021-2022 CDCAT President
Hemphill County Combination Clerk
