

## **Project Description**

**Project Name:**

Hidalgo County Precinct 4 Mile 17 & 83rd Stormwater Project

**Project Number:**

ARPA-22-124-051

**Program:**

Hidalgo County Precinct 4 Mile 17 & 83rd Stormwater Project will be part of the Hidalgo County Stormwater System Improvement Program.

**Precinct/Department Name:**

Hidalgo County Precinct 4

**ARPA Expenditure Category:**

5. Infrastructure

**ARPA Eligibility Category:**

5.6 Clean Water: Stormwater

**Project Description:**

The Mile 17 and 83rd Stormwater project will manage and reduce stormwater for the project area. The project is located along Mile 17 and 83rd Road from Humphrey Road to the North Branch Drain and Schunior Drain. Project consists of a pipe network with inlets improvements and roadside grading from Mile 17 and 83rd with an ultimate outfall into the North Branch Drain and Schunior Drain system. The pipe network will also be proposed along San Francisco, Santa Elena and San Santiago Streets. Inlets will be placed throughout the project limits along with roadside grading to manage stormwater during and after rain events.

As per the Coronavirus State and Local Fiscal Recovery Funds FAQ document, in question 6.15, recipients are able to use ARPA funds for road repairs and upgrades directly related to an eligible stormwater project. Efficient stormwater services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.

**Fiscal Impact**

Estimated Budget: \$910,534.39
