Re: Monthly continuation of Contract 16-206 between Correct Rx Pharmacy Services and PSA

Dear Dr. Yankellow:

Contract 16-206, between Correct Rx Pharmacy Services and PSA, is scheduled to expire December 31, 2021. PSA recently published a new RFP 21-208 Pharmaceuticals and Related Products and Services, Correct Rx responded to that RFP, and PSA intends to award the contract to Correct Rx.

Until the contract can be officially executed, PSA invokes the following clause, taken from Page 4 of the RFP and incorporated by reference in the Contract, to extend the Contract 16-208 for one month through January 31, 2022:

In the event a new contract cannot be executed at the anniversary date of the original term or any renewal term, the contract may be renewed month-to-month until a new contract is executed. Non-appropriations for renewal of contract will also be in accordance with the Local Government Code 271.005 (b) concerning non-appropriation clauses for multi-year contracts.

We appreciate our relationship with Correct Rx Pharmacy Services. Please contact me at your earliest convenience if you would like to discuss this further.

Sincerely,

Roger Sheridan  
Deputy Director, Brazos Valley Council of Governments
