

Project Description

Project Name:

Hidalgo County Precinct 4 Terry Road Stormwater Project

Project Number:

ARPA-22-124-048

Program:

Hidalgo County Precinct 4 Terry Road Stormwater Project will be part of the Hidalgo County Stormwater System Improvement Program.

Precinct/Department Name:

Hidalgo County Precinct 4

ARPA Expenditure Category:

5. Infrastructure

ARPA Eligibility Category:

5.6 Clean Water: Stormwater

Project Description:

The Hidalgo County Precinct 4 Terry Road Stormwater Project will manage and reduce stormwater for the project area. The project is located along Terry Road from Rogers Road to the North Branch Drain. Project consists of a pipe network with inlets improvements, roadside grading, swale grading, road crossings and ditch improvements of the North Branch Drain system which serves as the ultimate outfall for this project. Inlets will be placed throughout the project limits along with roadside grading, roadway crossings, swale gradings and drainage ditch widening to manage stormwater during and after rain events.

As per the Coronavirus State and Local Fiscal Recovery Funds FAQ document, in question 6.15, recipients are able to use ARPA funds for road repairs and upgrades directly related to an eligible water or sewer project. Efficient sewage services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.
