**Project Description:**

The Tex-Mex Rd from Tower Rd to Schunior Drain Stormwater Management project will manage and reduce stormwater for the project area. The project is located along Tex-Mex Road from Tower Road to the Schunior Drain. Project consists of a pipe network with inlets Improvements and roadside grading from Tower Road due east along Tex-Mex Road with an ultimate outfall into the Schunior Drain system. Inlets will be placed throughout the project limits along with roadside grading to manage stormwater during and after rain events.

As per the Coronavirus State and Local Fiscal Recovery Funds FAQ document, in question 6.15, recipients are able to use ARPA funds for road repairs and upgrades directly related to an eligible water or sewer project. Efficient sewage services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.
