Dear Hidalgo County Constable Pct. 4,

Brady's K9 Fund is a non-profit organization out of Strongsville, Ohio that donates practical, mission ready ballistic vests to police and military working dogs. We want the K9s who protect our communities across the United States to be protected their entire shift by a ballistic vest, just like their human partners. We want them to have access to a ballistic vest they can wear their entire shift and not just when time permits to put the vest on the dog. We feel the LOF StreetFighter ballistic vest gives the K9s that best option.

Brady's K9 Fund would like to donate this style vest to K9 Max with Deputy Alfonso Fuentes. This StreetFighter vest holds a value of \$1,500.00. We feel it will be essential piece of equipment for Max to have.

Thank you very much,

LEAH TORNABENE
