Project Description

The stormwater improvements will assist in addressing and improving stormwater infrastructure systems in Tierra Dorada, in the City of Mission, between Schuerbach Road and Moorefield Road often face water inequities. During the rainy season, Tierra Dorada is affected by inadequate stormwater systems with flooding, spreads of disease and erodes roads. Efficient stormwater services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of low-income minorities.

As per the Coronavirus State and Local Fiscal Recovery Funds FAQ document, in question 6.15, recipients are able to use ARPA funds for road repairs and upgrades directly related to an eligible water or sewer project. Efficient sewage services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.
