

SECTION 179D ENERGY EFFICIENT COMMERCIAL BUILDINGS DEDUCTION **ALLOCATION FORM**

As part of the Energy Policy Act of 2005, Congress enacted Section 179D of the Internal Revenue Code to encourage the design and construction of energy efficient buildings. Per IRC §179D(d)(4) and Notice 2008-40, building owners of energy efficient commercial buildings may take a deduction arising from the installation of energy efficient commercial building property as part of the interior lighting, HVAC and hot water systems, or building envelope systems. If the building owner is a government entity, they may allocate the deduction to a designer of the energy efficient commercial building property. A review of all energy efficient systems in the allocated building(s) will be performed on behalf of the building owner. If allocable deductions are identified, they will be allocated to the eligible designers as identified below.

Jacobs Engineering Group, Inc. created technical specifications for the installation of the energy efficient commercial building property which resulted in reduced energy consumption and is eligible to be allocated the 179D Energy Efficient Commercial Building Deduction. Specifically, *Jacobs Engineering Group, Inc.* provided input into the creation of technical specifications through the following:

Jacobs Engineering Group, Inc. was contracted as the program manager for this new construction project. *Jacobs Engineering Group, Inc.* provided several value engineering solutions that were implemented into the final design of the courthouse project.

The role of the allocating government entity is to confirm the scope of work performed and related information provided herein as eligible to pursue for the IRC §179D deduction by the taxpayer seeking the allocation, and not for determining if in fact the commercial building property is energy efficient.

Hidalgo County hereby allocates *Jacobs Engineering Group, Inc.* the Section 179D deduction for the property described below:

Hidalgo County Building Information				
Property Name	Property Address	Placed in Service	Cost of Property	Allocation Percentage
Hidalgo County Courthouse	100 N. Closner Blvd. Edinburg, TX 78539	April 2022	\$175,000,000	50%

Following a third-party certification by a licensed professional engineer or contractor in the jurisdiction of the building, *Hidalgo County* will be provided with a summary analysis detailing the energy-saving improvements and the final Section 179D deduction amount.

The authorized owner representative is not responsible for certification of the energy efficient commercial building property. The taxpayer receiving the allocation is solely responsible for obtaining the required certification and onsite verification and for ensuring their accuracy and substance.
