

## **Project Description**

**Project Name**

Hidalgo County Precinct 3 Tierra Dorada Stormwater Project

**Project Number**

ARPA-21-123-008

**Precinct/Department Name**

Hidalgo County Precinct 3

**Program:**

The Hidalgo County Precinct 3 Tierra Dorada Stormwater Project will be part of the Hidalgo County American Rescue Plan Act Stormwater System Improvement Program.

**ARPA Expenditure Category**

5. Infrastructure

**ARPA Eligibility Category**

5.6 Clean Water: Stormwater

**Project Description**

The stormwater improvements will assist in addressing and improving stormwater infrastructure systems in Tierra Dorada, in the City of Mission, between Schuerbach Road and Moorefield Road, which often face water inequities. The improvements will consist of regrading the Tierra Dorada stormwater system and crossing improvements which will be bound by Schuerbach Road to the west, Inspiration Road to the east, and Tierra Dorada Subdivision to the north, and Mile 1. This project will address the inadequate stormwater systems that cause flooding, the spread of diseases, and eroded roads during the rainy season.

As per the Coronavirus State and Local Fiscal Recovery Funds FAQ document, in question 6.15, recipients are able to use ARPA funds for road repairs and upgrades directly related to eligible water conservation or stormwater systems. Efficient stormwater systems directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.
