Re: Cooperative Prisoner Transportation Agreement

Dear Mr. Belmarez:

This letter is to notify you of the use of a Cooperative Prisoner Transportation Agreement with the United States Marshalls Service. The agreement is crucial for the transportation of a high profile Inmate, due to the criminal history of being combative and absconding from law enforcement. This is the best course of action for the safety of the Deputies and public during transport. Since we have 10 days to initiate the transfer of the inmate and commissioner's court would have taken place after the deadline, it was imperative that the agreement be signed 2-11-2022. U.S. Marshal's national extradition unit will be responsible for the transport and safety of the inmate to our facility.

Should you have any questions or concerns, you may call Captain David Friedlein at (956) 393-6082 or via email at david.friedlein@hidalgoso.org.

Your cooperation on this matter is greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "J.E. Guerra", written over a horizontal line.
