

HIDALGO COUNTY ACTIVE TRANSPORTATION AND TOURISM PROJECT

One Page Proposal

The intent of this plan is to define opportunities for a regional network in Hidalgo County focusing on active multimodal transportation and opportunities for active tourism: bike and pedestrian infrastructure, tourism destinations, flooding and draining mitigation strategies, health and wellness, and community & economic development.

objectives

- Develop seamless and unified network of hike and bike trails
- address current gaps in bicycle pedestrian facilities and infrastructure
- estimate the return of investment for active tourism

key results

- improve individual and community health
- enhance multimodal transportation options and connectivity
- determine vision for multimodal transportation
- develop implementation guide with priorities and catalyst project(s) timeline

impact

- provide alternatives to vehicular transportation
- create recreational options to ease connectivity and improve air quality
