Good afternoon Ms. De Leon,

Our legal team has reviewed the credit application for the Hidalgo County Fire Marshal and they implemented some changes in the **payment terms**. Can you please confirm that your company is in agreement with the changes so that we may proceed?

Thank you,

Good News! Our corporate office says its a go. So, yes, please if you can go ahead and proceed with the credit application and fax it over to the fax at top left corner and we'll go from there.
