Application for Donated Safety Equipment from USDSA

- Please visit our [equipment donations \(/law-enforcement-programs/usdsa-equipment-donations.html\)](/law-enforcement-programs/usdsa-equipment-donations.html) page to see the types of safety equipment (ballistic equipment, first-aid equipment, PBTs, road spike strips, etc.) we give. For equipment beyond the scope of our equipment donation program (tasers, firearms, vehicles, body cameras, etc.), please look at our [cash grant application \(/law-enforcement-programs/cash-grant-request.html\)](/law-enforcement-programs/cash-grant-request.html).
- Please **prioritize** your request. We do all that we can, but due to the number of requests we receive, we cannot fulfill every request.
- Departments are not eligible to request equipment more than one time in a calendar year.
- An application for the grant program renders an agency ineligible to apply for the USDSA Donated Safety Equipment program in the same year.
- Note, all equipment is donated to agencies, not to individuals.

Please have an administrative person (chief, assistant chief, captain, etc.) fill out the form.
