RE: PROGRESS REPORT

Activities at the RVGMPO for the month of February 2022
Work Authorization No. 1 Contract No.

Dear Mr. Guerra:

Attached is our invoice for this billing period. The following tasks were accomplished this billing period.

- **RGVMPO TAC COMMITTEE MEETING**
L&G Engineering staff participated in the RGVMPO TAC meeting on February 10, 2022.
- **RGVMPO POLICY BOARD MEETING**
L&G Engineering staff participated in the RGVMPO Policy Board meeting on February 23, 2022.
 - On 1-14-2022 RGVMPO staff notified the County that FY 2023-2026 TIP tables need to be developed and requested the County to provide project development activity statuses on all Federally Funded Projects. L&G Engineering staff completed the TIP/MTP project update forms and Hidalgo County submitted all forms to RGVMPO on February 7, 2022.
 - On 2-10-2022 RGVMPO staff also required from the County the completion of CAT 7 off-system project evaluation forms on all Federally Funded projects. These forms required additional set of information on projects and would enable the RGVMPO staff to provide a score for each project. L&G Engineering staff completed all required forms before the February 28, 2002 deadline and all forms were submitted to RGVMPO staff in the month of February.
