Subject: RE: ITP Meeting FY21 OPSG

Good afternoon Mr. Rodriguez,

The Hidalgo County OpOrder has been approved by FEMA. Any expenses that are incurred by the county from March 1st forward for services and/or equipment in relation to this OpOrder will be eligible for reimbursement under the grant. The grant is in process currently in egrants and the PSO does not have a specific date on when Hidalgo county will be able to get the reimbursement. The PSO will be processing these grants through as quickly as possible.

The March 18th deadline that was mentioned was the deadline for your agency to have the FY22 ConOp to the RGV Sector. This is to ensure that we have the ConOp reviewed by the sector and any changes made ahead of the NOFO Deadline for the PSO to submit the state's Homeland Security Grant Program Application.

V/R,
