SUBJ: Reminder of Membership Dues

DATE: April 25, 2022

Please consider this as a reminder. Our records indicate an outstanding balance of your membership dues. To retain membership status and voting privileges, membership fees were requested in January 2022 and due March 31, 2022.

As a reminder, membership must be current before the Annual Elections meeting that will be taking place on May 25, 2022.

As you are aware, active membership in LRGVDC's association of local governments supports regional collaborative efforts and qualifies your entity for projects, plans and programs from the estimated 99% of state and federal funding received for continued development and prosperity across our region. Additionally, members shall have access to LRGVDC meeting room facilities, to include virtual platforms, (when available), program and project technical assistance, and LRGVDC's governing body support of initiatives and efforts in alignment with the current 2020-2024 Lower Rio Grande Valley Strategic Plan.

Membership fees are based on population for the general governments (county, city, etc.) or an annually approved fixed fee for special purpose units: educational institutions, school districts, water districts, etc.)

To retain membership status and voting privileges, membership fees must be cleared before our May 25, 2022, meeting.

In advance, thank you for your participation in this great organization and for your support. If you have any questions or if there is anything the LRGVDC can be doing to assist you, please do not hesitate to let us know.
