

2022 Operation: Slowdown

Deputies will be enforcing. Any probable cause that to initiate a motor vehicle stop, but it must be made in a designated enforcement zone, which was developed based on crash activity. There is no requirement from TxDOT to write tickets, just make at least 2 motor vehicle stops in each hour worked and average 2.5 motor vehicle stops per hour overall for the grant.

When to enforce is up to the officer, but TxDOT wants to see crash reduction in Hidalgo County as a result of this enforcement.
