Erika,

Attached is the revised agreement with the automatic renewals. Yes, the exhibit can be modified to reflect general, routine maintenance as allowed under the agreement.

Good afternoon Josie,

Our office agrees with that recommendation. Can your office make that revision to the agreement? In addition, should we revise Exhibit A to just include maintenance to the cemetery instead of specifics for what we are doing this time? That way it doesn't defeat the purpose of having the agreement automatically renewed.

Let me know if you have any questions.

Respectfully,

Erika,

The only thing I would suggest changing is the "term" stated in paragraph 17 because it doesn't really have one. If this is something the Precinct wants to continue annually, you can do automatic annual renewals unless terminated pursuant to paragraph 18 (since there is a 30 day out clause with or without cause).

Good evening Josie,

Precinct 2 is requesting your review and approval of the agreement attached with the San Juan Cemetery Association in order for the Precinct to make improvements as included in Exhibit A attached to this email as well..

Our office has entered into an agreement like this with the association before and I have attached it for your reference as well as the health and safety code that was previously utilized to allow us to perform the work.

We will be placing this agreement on next week's agenda for approval so please let me know if you have any questions.

Respectfully,
