IMPORTANT MESSAGES

1. Flood Insurance is the most important thing you can do to protect against the devastating cost of flooding. You've taken the first step by purchasing a flood insurance policy, but to maintain coverage you must renew your policy each year.
2. Using Certified Mail when sending premium payments has the advantage of limiting lapses in coverage as the certified mail date is used as the premium receipt date to ensure the earliest receipt date possible and also provides a method to track your payment from the post office to the remittance center by going to www.usps.com/shipping/trackandconfirm.htm.
3. If you have already submitted payment, please disregard this notice. If your mortgage lender pays your policy premium from an escrow account or if the mortgagee listed isn't correct, forward this bill to the financial institution. Please also have a change endorsement sent to update the policy.
4. You are encouraged to insure your property for at least 80% of the structure's replacement cost to ensure adequate coverage in the event of a loss. Contact your insurance agent for details.
5. Carefully review the renewal offer being provided for accuracy. The renewal offer will expire 30 days from the effective date shown on this form at 12:01 a.m. Price and terms associated with this renewal offer are subject to underwriting review and may not be available after expiration of this renewal offer. Please refer to the policy for complete terms, conditions, and exclusions. Please refer to www.ambest.com for rating, financial size category and additional information on the company shown on this renewal offer.
6. Our records show you are the building or unit owner at the address listed on the front of this notice. If you are not the owner and are a tenant, please contact your agent to update your policy.
7. Option B is the next-higher coverage combination available and increases the current premium by an inflation factor of 10% for building coverage and 5% for contents coverage. The current deductible is used. Increases in coverage will take effect immediately and do not necessitate a 30-day waiting period as long as payment is received on or before the expiration date of the policy.
