Good afternoon,

We have some updates for anchors and regions:

Estimated IGT for DY11 Round 1

The estimated IGT for DY11 Round 1 has been posted to the DSRIP online reporting system Bulletin Board under "Reporting – April DY11" and is attached to this e-mail. The yellow highlighted columns indicate the DY11 Round 1 estimated DSRIP payments. The estimated payments are based on the assumption that all milestones reported as achieved in DY11 Round 1 will be approved by HHSC. These estimates are provided to inform any needed IGT changes in entities or proportion.

Changes are due to HHSC by **Wednesday, June 1, 5:00pm** using the *IGT Entity Change Form* posted under "Other 1115 Medicaid Waiver Forms" on the Bulletin Board. Note that the impacted IGT Entities and Anchor must be cced on the email submission of the *IGT Change Form*.

Do not use these estimates to submit IGT. Provider Finance will notify IGT Entities and Anchors of the actual IGT due on June 15th.

DSRIP Close Out Survey

HHSC has posted a DSRIP close-out survey on the DSRIP Online Reporting System Bulletin Board under "DSRIP Close-Out" and is attached to this e-mail. Please encourage providers to complete one survey per provider and submit to the Anchor for compilation and submission to the waiver mailbox by **June 17, 2022**. The purpose of the survey is to assess DSRIP activities that may be continuing after the end of DSRIP funding.

Anchor Contracts

Anchors with current contracts for administrative cost claiming should email the waiver mailbox by **Friday, May 27, 2022**, with their decision on extending or ending the anchor contract. For more information, please see the document "Anchor Admin Cost Claiming Guidance" included in the anchor notes last week and posted to the "Other 1115 Medicaid Waiver Forms" section of the online reporting system bulletin board.

Thank you,
