Good Afternoon Ms. Velasquez,

We recommend utilizing a short term Requirements Contract due to the protections it provides in conjunction with the applicable procurement packet and to avoid any confusion on the part of the vendor. Additionally, if a signature page alone was utilized, it would require several modifications.

Please feel free to resubmit the packet or contact us to discuss further should you have any questions.

Good morning,

Please review as to form the specifications for Project 21-0893 for Purchase of used or new Grappler Brush Loader".

This will be a one time purchase to be awarded with issuance of a purchase order. Can it be done with the addition of the terms and conditions printed on the back of the Purchase Order and a signature page (attached) or would a contract need to be drafted for this one time purchase?
