

Project Description

Project Name:

Hidalgo County Precinct 3 Tierra Linda Drain Stormwater Project

Project Number:

ARPA-22-123-103

Program:

The Hidalgo County Precinct 3 Tierra Linda Drain Stormwater Project will be part of the Hidalgo County American Rescue Plan Act Stormwater System Improvement Program.

Precinct/Department Name:

Hidalgo County Precinct 3

ARPA Expenditure Category:

5. Infrastructure

ARPA Eligibility Category:

5.6 Clean Water: Stormwater

Project Description:

The Tierra Linda Drain Stormwater Project will manage and reduce stormwater for the project area. The project is bound by FM 492 to the west, Green Road to the east, Tierra Linda Subdivision to the north, and HCID1 Main Canal to the south. The project consists of the regrading and reconstruction of the Tierra Linda Drain that will create additional volume in the system. Improvements will help manage stormwater during and after rain events.

As per the Coronavirus State and Local Fiscal Recovery Funds FAQ #6.15, and reiterated in the Final Rule, recipients are able to use ARPA funds for road repairs and upgrades directly related to an eligible stormwater infrastructure project. Efficient stormwater services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.

Fiscal Impact: \$59,611.27
