

**National Community Development Association
Region VI- Southwest**

Hello, fellow CDBG/HOME/ESG and HOPWA Practitioners!

It's time for our annual membership drive. While this past year has AGAIN continued to be full of unexpected twists and turns, we remain committed to serving our communities by providing housing, public services, infrastructure and public improvements.

By joining NCD A Region VI, we show strength in numbers and we demonstrate our strength in providing quality programs and activities. Our five-state network of communities helps to underscore the importance of our CDBG, CDBG-CV, HOME, HOME-ARPA, ESG ESG-CV and HOPWA-funded programs. We all share a commitment to undertakings that improve the lives of our residents.

We remind you that your NCD A Region VI membership comes with

- Opportunities to hear directly from those "in the know"
- A liaison to a network of practitioners
- Methods to improve your programs
- Reduced rates for our NCD A Regional Conference
- A non-HUD venue to help assure your programs are in compliance – feel free to ask questions without worrying that your jurisdiction will be placed on the Monitoring-radar

Attached you will find our membership form. Our membership dues continue to be \$50 and will earn your community membership from July 1, 2022 through June 30, 2023. Please mail the membership form along with your payment to:
