Good Afternoon Ms. Salinas,

Per our phone conversation this morning, the IRS requires that all Pension Plan Documents need to be restated every 6 years. I've been working with Head Start, Urban County and Community Services to get their document restated and finalized. I wasn't aware that the documents had to go through Executive Offices first so unfortunately we have limited time to get this finalized. The documents need to be signed on or before June 30, 2022. Again, I apologize for the late notice. Attached are the Action by Board of Directors, Adoption Agreement, Defined Contribution Plan Document, Loan Policy and Summary Plan Description. All 3 divisions have reviewed these documents to make sure all information is correct.

The only documents that need to be signed are the Action by Board of Directors and the Adoption Agreement (pages 47 and 48). The other 3 documents are just for review and do not require signatures. Let me know if you need any additional information from me or have any questions. My direct line at the office is 214-442-6941.

Thank You,

Ginger Flynn
