Parcel No. 12

Dear Commissioner Cantu:

Attached herewith is a counter-offer as submitted by Jose Luis Martinez and wife, Martha Martinez, owners of Parcel 12 on June 23, 2022. Brighton Group along with L&G Engineering has reviewed the aforementioned and recommends that counteroffer be **approved**. Attached also is the N-9, Administrative Settlement Evaluation and Approval Form.

Brighton Group believes the counteroffer is a legal and cost savings issue and a timing issue due to the imminent "let" date. More importantly due to recent court awards on similar projects and the cost to litigate through the Special Commissioners' Hearing we recommend that the counteroffer of **\$17,519.00** be accepted.

Please review these documents and feel free to contact me at (956)603-2005 if you wish to discuss this matter personally.

Sincerely,

Fernando "Fred" Herrera

Analysis and Conclusion:

Our approval/ disapproval recommendation is based on the items checked above and has been evaluated as follows: (attach additional sheets as necessary)

Parcel 12 is 112 sq. ft. or 0.003 of one acre tract of land situated in Hidalgo County, Texas and being in Lot 32, Crown Point Estates Phase I, as recorded in Volume 29, page 132. Parcel 12 acquisition consists of 112 sq. ft. On October 25, 2021, Brighton Group, Acquisition Provider for the County, made an offer of \$13,519.00 to owners of record, Mr. Jose Luis Martinez and wife, Martha Martinez, via certified mail. After several attempts of negotiations Mr. & Mrs. Martinez submitted a counteroffer via email on June 23, 2022. Mr. & Mrs. Martinez have expressed that the value of their property was undervalued due to recent sales within their own neighborhood. After discussion and review by the evaluation team, it is the recommendation that the administrative settlement be approved. The difference between the approved value of \$13,519.00 versus the property owner's counter offer is \$4,000.00. We believe that the proposed counteroffer is within a reasonable range and seek the County's consideration for approval. This amount does not warrant the risk and added expenses associated with standard eminent domain proceedings. Accepting said counter offer will help avoid project time delays, and associated condemnation proceedings, thus resulting in a cost savings to the county.

This administrative settlement of \$17,519.00 is / is not recommended for approval as being reasonable, justified, prudent and in the public interest.

This is Mr. Jose Luis Martinez from 401 Crystal Dr. In Pharr Texas. The reason for my letter is to acknowledge that the offer you send me was a little low. According to the way it was valued it based as all the inner lots and mine being a corner lot is appraised a little higher. I'm asking for 4,000.00 more then I was offered. Which would be a total of 17,519.00. Let me know on your decision.

Thank You

Pharr, TX 78577-7708

Dear Mr. & Mrs. Martinez,

In acquiring property for the highway system of Texas, the Texas Department of Transportation (the "Department") and Hidalgo County (the "County") follows a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the County's negotiator, Joseph Palacios, a portion of your property located on Eldora Road, as described in the enclosed property description, is to be acquired for the construction or improvement of the above-referenced highway project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the County is authorized to offer you \$13,519.00 for your property, which includes \$563.00 for the property to be purchased and \$12,956.00 for damages to your remaining property. This amount is the total amount of just compensation for all interests in the portion of your property to be acquired, as determined in accordance with State law, less oil, gas and sulphur, subject to clear title being conveyed to the County. In accordance with State law, it is the policy of the Department/County to negotiate with the fee owner(s) of the real property with the understanding that you will, in turn, negotiate with any lessee or other party who may own any interest in the land or improvements, with the exception of public utility easements, which will be handled separately by the Department/County.

This offer to purchase includes the contributory values of the improvement(s) listed below, which are considered to be part of the real property. Since the improvement(s) must be removed, it is the policy of the Department/County to permit owners who convey voluntarily to the Department/County to thereafter retain the improvement(s), if they wish to do so. The retention values shown below are the estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the right of way, the amount of the above offer must be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the Department/County to acquire the real property by eminent domain.

	<u>Improvement</u>	<u>Amount to be Subtracted if Retained</u>
A.	Driveway-Concrete	\$1.00

If you wish to accept the offer based upon this appraisal, please contact me as soon as possible, at (956) 603-2005, so that the process of issuing your payment may be started. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter. Please note that your opportunity to submit an administrative settlement shall be forfeited if such a settlement request is not received by the Department/County within the 30 day time deadline.

In the event the condition of the property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for use by the Texas Department of Transportation/Hidalgo County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the Department/County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the Department's/County's determination on any claim for reimbursement.

You may be entitled to additional payments and services under the State's Relocation Assistance Program. It is emphasized, however, that any benefits to which you may be entitled under this program will be handled entirely separate from and in addition to this transaction. You will receive a brochure entitled "Relocation Assistance" which will inform you of eligibility requirements, payments and services which are available.

You have the right to discuss with others any offer or agreement regarding the Department's/County's acquisition of the subject property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply to the Department.

Attached is a copy of the Texas Department of Transportation brochure entitled "Right of Way Purchase" which we trust will give you a better understanding of the procedures followed by the Department/County in purchasing property. We respectfully request the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built, or concerning the County's offer or proposed purchase transaction. Also, please do not hesitate to contact me at the telephone number provided above regarding any question you may have.

Please see the enclosed copy of the Texas Landowner Bill of Rights.

Finally, we enclose copies of all appraisal reports relating to your property being acquired which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the Department/County, including the appraisal on which this offer is based.

Sincerely,

VI. Comments and Conclusions on Values in the Appraisal Report

Appraiser: Leonel Garza III
Effective Date of Updated Report: November 23, 2020
Updated Report Dated: September 1, 2021
Review Appraiser: Harvey L. Heerssen
Effective Date of Updated Review: September 5, 2021

Parcel 12 has been updated to separate the easement interest owned by Hidalgo County Irrigation District No. 2 from the appraised value of the part taken. Please see 1st highlighted paragraph below.

Parcel 12 is a partial taking of 0.003 acres (112 sf.) situated in Lot 32, Crown Point Estates Phase I, as recorded in Volume 29, Page 132, of the Map Records, Hidalgo County, Texas, said Crown Park Estates Phase I being out of Lot 118, Kelly-Pharr Subdivision, as recorded in Volume 3, Page 133, of the Deed Records, Hidalgo County, Texas, said Lot 32 conveyed to Jose Luis Martinez and wife, Martha Martinez by a Warranty Deed with Vendor's Lien dated January 2, 2001 and recorded on January 30, 2001, as described in Document Number 939221, of the Official Records, Hidalgo County, Texas..

The whole property of 0.14 acres is located at the northwest corner of Eldora Road and Diamond Lane, Pharr, Texas. The subject whole property is improved with a single family residence, a one car attached garage and related site improvements. The residence is not impacted by the proposed acquisition. However, the attached garage is damaged out due to proximity of the new right of way line.

The appraiser Leonel Garza III has selected three (3) recent sales to value the whole tract at \$5.00 per sf. The highest and best use is for residential purposes. The acquisition is encumbered by an easement owned by Hidalgo County Irrigation District No. 2. Since the fee owner does not enjoy the full bundle of rights within the easement area, the appraiser estimates that the amount of rights taken amount to 50% of the fee value of \$5.00 or \$2.50 per sf. Thus, the encumbered fee portion is valued \$2.50 sf, and the utility easement is also valued at 50% or \$2.50 per sf. There are no market damages to the remainder land.

The appraiser has considered access damages in accordance with Section 21.042(d) of the Texas Property Code, as amended by SB18 of the Texas 82nd Regular Legislative Session. The result of the findings is that there is no denial of direct access nor material impairment of direct access on or off the remaining property that affects the market value of the remaining property. Therefore, there are no access damages to the remainder property.

The updated report prepared by the appraiser Leonel Garza III is an Appraisal Report presented on TxDOT form ROW-A-5 and appears to comply with USPAP and the Texas Department of Transportation's Appraisal and Review Manual. The appraisers' updated opinion and conclusions appear to be well supported by information contained within this updated appraisal report. It is recommended that the total updated value of \$13,779.00 be approved for continuing negotiations and acquisition.

VII. Justification and Explanation for Credit if Retained.

A retention of \$1.00 is applied to the concrete drive to encourage retention and removal.

VIII. Conditions

Values for signs, if any, are applicable only if sign owner has compensable interest.

Fencing is applicable only to actual cost or lump sum fencing on 90-10 Right of Way projects and State cost participation in fences to be in accordance with State's Right of Way Manual.

The values indicated hereon have been approved on the basis that all improvements within the taking will be acquired in the name of the State through negotiation.

IX. Reviewing Appraisers' Statements

Reviewing Appraiser's Statement

It is my opinion that the appraiser's report for this parcel appears adequately supported and in compliance with all appropriate appraisal standards, laws, and regulations, and I recommend this appraisal for use by the appropriate Agency Official and his/her assigns. I have no direct or indirect present or contemplated future personal interest in such property or in any benefit from the acquisition of the parcel. To the best of my knowledge, the value does not include any items that are not compensable under State law.
