Subject: RE: Hidalgo County Constable Pct. 4
To: Christopher Barrera <christopher.barrera@co.hidalgo.tx.us>

Deputy Barrera,

Thank you for inquiring about the disposition of equipment purchased with homeland security grant funds.

Items with a current per-unit fair market value (FMV) of less than \$5,000 may be retained, sold, or otherwise disposed of with no further obligation to the Public Safety Office (PSO). To dispose of equipment (or items considered by the Office of the Governor to be a controlled asset) with a current per-unit FMV of \$5,000 or more, or to dispose of equipment less than 3 years old (regardless of the FMV), please complete the Public Safety Office (PSO) Equipment Disposition Form located at: https://fs3.formsite.com/OOG_HSGD/EquipDisp/index.html. In either case, please note that the methods used to determine the FMV must be documented, kept on file and made available upon request. Your equipment inventory list must also be updated to include the date and method of disposal and fair market value or sale price of the equipment.

I have attached a copy of the PSO General FAQs for additional information. You may also want to refer to 2 CFR 200.313(e) which contains disposition information for original or replacement equipment acquired under a Federal award.

Should you have any questions or need assistance with the form, please feel free to give me a call at: 512-463-8570.

Thank you,

Kim Hild
