## Additional IGT Required for Comprehensive Hospital Increase Reimbursement Program Year 1 (SFY22)

Caseload has increased at a greater rate than initially projected at the beginning of the fiscal year which has increased Comprehensive Hospital Increase Reimbursement Program (CHIRP) payments. Due to this increase in caseload, the HHS Provider Finance Department now requires additional intergovernmental transfers (IGT) from participating providers for the remainder of Program Year 1 (State Fiscal Year 2022). CHIRP providers will receive commensurate increases in the payments received from Managed Care Organizations (MCO).

Please refer to the Suggested Intergovernmental Transfer (IGT) amounts file located in the Suggested IGT Section of [the CHIRP webpage](#) under the **"Additional Year 1 (SFY 2022) Suggested IGT Transfer"** heading. The IGT amounts can be found in column **AU**. This file has been updated as of 7/14/2022.

The IGT must be entered into TexNet no later than close of business August 8, 2022 with a settlement date of August 9, 2022.

- This settlement date is non-negotiable.
- The funds need to be placed in the "CHIRP" Bucket.
- Please transfer funds through TexNet and send an email with a screen shot or PDF of the confirmation/trace sheet to [HHSCFPDCHIRPPayments@hhs.texas.gov](mailto:HHSCFPDCHIRPPayments@hhs.texas.gov).

- TexNet instructions are [available here](#).

For additional information, please visit [the CHIRP webpage](#).
