

Project Description

Project Name:

Hidalgo County Precinct 3 Stormwater Equipment Project

Project Number:

ARPA-22-123-108

Precinct/Department Name:

Precinct 3

ARPA Expenditure Category:

5: Infrastructure

ARPA Eligibility Category:

5.5 Clean Water: Other Sewer Infrastructure

Project Description:

Hidalgo County Precinct 3 Stormwater Equipment Project will address the needed improvements in stormwater to prevent pollution, erosion, flooding, and other environmental and health issues through the ongoing COVID-19 public health emergency with the purchase of equipment. The equipment includes, but is not limited to, a tanker truck, dump trucks, high-volume pumps with trailers, pickup trucks with attachment tools, and a sandbagging machine. Owning the equipment is cost-effective, reduces the need for outsourcing, and shortens response times to meet constituent needs.

As per the Coronavirus State and Local Fiscal Recovery Funds Compliance and Reporting, on page 6, recipients may use award funds to make necessary investments in water, sewer, and broadband infrastructure. These basic needs are critical to the health and ability to work in vulnerable communities.

Fiscal Impact:

Estimated Budget - \$990,000.00
