Project Name:

Inclusive Accessibility Toolbar

Project Number:

ARPA-22-110-106

Department Name:

Hidalgo County Judge's Office

ARPA Expenditure Category:

3: Services to Disproportionately Impacted Communities

ARPA Eligibility Category:

3.4 Effective Service Delivery

Project Description:

The Hidalgo County official website continues to be the primary location where COVID-19 information is posted for the public. An accessibility toolbar will allow all web users to access the information without barriers making our communication more accessible most especially for persons with disabilities. An accessibility toolbar may offer services such as screen reading functionality, multiple reading aids, customizable styling options, and an on-demand live translation feature with multiple languages including text-to-speech.

Technology infrastructure resources to improve access to and the user experience of government information technology systems, including upgrades to hardware and software as well as improvements to public-facing websites or to data management systems, to increase public access and improve public delivery of government programs and services (including in the judicial, legislative, or executive branches).¹

Fiscal Impact:

Estimated Budget: \$8,000.00
