American Rescue Plan Act 2022

Project Description

Project Name:

Wi-Fi Project - Insight

Project Number:

ARPA-22-200-089

Department Name:

Information Technology

ARPA Expenditure Category:

6: Revenue Replacement

ARPA Eligibility Category:

6.1: Provision of Government Services

Project Description:

In response to the COVID-19 public health emergency, the Wi-Fi Project/Insight will extend provider services. Insight provides technical support which may include but not limited to, configuration/optimization, technician dispatch for outages, network core and access equipment. This continuity of services will continue to provide broadband to Hidalgo County's constituents for internet access that enables distance learning, technology improvements, and telework capability.

The final rule maintains the interim final rule's provision that allows for broader modernization of cybersecurity, including hardware, software, and protection of critical infrastructure as an eligible provision of government services, to the extent of revenue loss due to the pandemic, under sections 602(c)(1)(C) and 603(c)(1)(C).¹

Fiscal Impact:

Estimated Budget: \$375,000.00
