RE: Naming of a Private Road to Secure a 911 Address

Dear Commissioner Villarreal:

In attempts to acquire electricity to our recently purchased property, MVEC requested that we obtain a 911 address to our recently purchased property. We have met with the owners of the private road from Puerto Rico Rd. to our front gate (near Mile 16, Lino Hinojosa Partition, Linn, TX). We discussed the importance of naming this private road. As a group of owners of the road, we would like to suggest the following road names in preferential order:

- 1 – Santa Monica
- 2 – Victoria
- 3 – Jennifer

If any of these names are available, please name this road as the next step in securing a 911 address. If these names are not available, you are welcome to make a suggestion to us so that we can move forward with this endeavor.

Below the signature, please see the list of owners' name, property ID#, address and telephone number. Each owner signed below agreeing to the above-referenced road names.

I certainly appreciate your assistance with this matter. If you have any questions or wish to discuss this with me, please contact me at 956.802.7763.

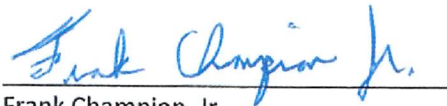

Very Respectfully Yours,

Sandra J. Bitner
