Narrative Information

Introduction

The Bullet-Resistant Shield Grant Program equips law enforcement officers at risk of shootings with bullet-resistant shields.

The funding announcement, located on the [eGrants Calendar](#) page, describes the organization types, activities, and costs that are eligible under the announcement. The PSO's [eGrants User Guide to Creating an Application](#) guides applicants through the process of creating and submitting an application in eGrants. Information and guidance related to the management and use of grant funds can be found in the PSO's Guide to Grants, located on the [PSO Resource for Applicants and Grantees webpage](#).

Certifications

In addition to the requirements found in existing statute, regulation, and the funding announcement, this program requires applicant organizations to certify compliance with the following:

Applicant assures that it will not engage in any activity that violates Constitutional law including profiling based upon race.

Active Shooter Policy

All eligible organizations that apply for grant funds will ensure its law enforcement agency adopts a Critical Incidents In-Progress (Active Shooter) policy implementing, at a minimum, protocols for assessing an active threat or violent encounter and immediately responding in order to stop the killing, stop the dying, and provide rapid casualty evacuation. The policy should include procedures that address:

- Concepts and Principles
- Community/First Responder Agency Notifications
- Mutual Aid Implementation
- Solo Officer Deployment
- Officer Team Deployment

Officer Team Deployment

- Follow-On Responders (Rescue Task Force)
- Incident Command - Unified Command Considerations
- Incident Debriefing
- Training

ALERT Training

All officers provided with a grant funded ballistic shield must have either attended 16 hours of ALERT (Advanced Law Enforcement Rapid Response Training) within the last 24 months or commit to attend within the next 24 months. ALERT's upcoming course catalog can be found here: <https://alerrt.org/Upcoming>.

NIJ Ballistic Shield Standards

Applicant assures that shields purchased with grant funds will comply with the National Institute of Justice (NIJ) Level III, III+, or IV.

Cybersecurity Training Requirement

Local units of governments must comply with the Cybersecurity Training requirements described in Section 772.012 and Section 2054.5191 of the Texas Government Code. Local governments determined to not be in compliance with the cybersecurity requirements required by Section 2054.5191 of the Texas Government Code are ineligible for OOG grant funds until the second anniversary of the date the local government is determined ineligible. Government entities must annually certify their compliance with the training requirements using the Cybersecurity Training Certification for State and Local Governments. A copy of the Training Certification must be uploaded to your eGrants application. For more information or to access available training programs, visit the Texas Department of Information Resources Statewide Cybersecurity Awareness Training page.

Criminal History Reporting

Entities receiving funds from PSO must be located in a county that has an average of 90% or above on both adult and juvenile dispositions entered into the computerized criminal history database maintained by the Texas Department of Public Safety (DPS) as directed in the *Texas Code of Criminal Procedure, Chapter 66*. The disposition completeness percentage is defined as the percentage of arrest charges a county reports to DPS for which a disposition has been subsequently reported and entered into the computerized criminal history system.

Counties applying for grant awards from the Office of the Governor must commit that the county will report at least 90% of convictions within five business days to the Criminal Justice Information System at the Department of Public Safety.

Uniform Crime Reporting (UCR)

Eligible applicants operating a law enforcement agency must be current on reporting complete UCR data and the Texas specific reporting mandated by 411.042 TGC, to the Texas Department of Public Safety (DPS) for inclusion in the annual Crime in Texas (CIT) publication. To be considered eligible for funding, applicants must have submitted a full twelve months of accurate data to DPS for the most recent calendar year by the deadline(s) established by DPS. Due to the importance of timely reporting, applicants are required to submit complete and accurate UCR data, as well as the Texas-mandated reporting, on a no less than monthly basis and respond promptly to requests from DPS related to the data submitted.

Additionally, counties and municipalities may NOT have in effect, purport to have in effect, or make themselves subject to or bound by, any law, rule, policy, or practice (written or unwritten) that would: (1) require or authorize the public disclosure of federal law enforcement information in order to conceal, harbor, or shield from detection fugitives from justice or aliens illegally in the United States; or (2) impede federal officers from exercising authority under 8 U.S.C. § 1226(a), § 1226(c), § 1231(a), § 1357(a), § 1366(1), or § 1366(3).
